WINNIPEG BEACH LEGION DECEMBER UPDATE

Dear Legion Members: As each and every one of us has experienced, this year of 2020 has been very unusual to say the least. It has been disheartening to not have been able to welcome our members and the community within the Winnipeg Beach Legion, due to the COVID-19 pandemic restrictions over the last 9 months. We have missed the camaraderie with all those who have passed through our doors, as well as the social interaction of our community.

The Ways and Means Chairs Lorraine Andrushuk, Velma Darroux and Peggy Kennedy, have some very special people to thank for all the Legion's Fall and Christmas fund raising activities. Jordan Andrushuk, who came and helped his Gramma, Lorraine Andrushuk, make a lot of the Ukrainian food at home and at the hall. Jordan cooked a huge part of the Christmas dinner, which enabled us to send out one hundred and fifty- five dinners to our Veterans and local seniors. To our super Winnipeg Beach Firefighters who delivered meals on Friday and Saturday, to those Members who delivered meals within the community and to Veterans in Winnipeg, to Comrade Cindy Stewart for making a bag of chocolates for the meals, and to the wonderful ladies of the Ladies Auxiliary and the Legion Members who provided the baking and helped make the food, the Legion cannot thank enough, all those who helped in this endeavour. Your incredible support over the past few months has been greatly appreciated, whether it was a monetary donation or a donation of your time and effort, or both. We sincerely thank you!

The Branch will be unable to open in January 2021 as first predicted. An update for a reopening will be announced as soon it is possible. We wish all a peaceful festive season and good health in 2021 for you and yours. Stay safe and take care.

Comrade Clinton Kennedy

President

Winnipeg Beach Legion Branch 61, Tel. 204-389-2660
