CHRISTMAS MESSAGE FROM THE WINNIPEG BEACH LEGION

Comrades:

As Christmas Day fast approaches, I and all the members of the Executive Committee extend a Merry Christmas to all the Members of Branch #61 and their families.

As we are all aware this Holiday will be like no other we have ever had. Many of us will not be able to gather with family and friends as in years past. Even though we may decorate our homes and trees, we will not be seeing our children, grandchildren and in many cases great-grandchildren, enjoying this day with us. However I feel confident this will end and once again we will gather and enjoy the season as we once did.

No matter how we spend Christmas Day, remember to stay in touch with loved ones and friends. Keep your spirits up, we are in this together and we will persevere. The Legion is here to help and will endeavor to do what ever we can. Remember this will end.

So once again I, and all the Executive, wish all Members and their families a Merry Christmas.

Comrade Clinton Kennedy
President
Winnipeg Beach Legion Branch 61
